What are VPK Programs?

The Voluntary Prekindergarten (VPK) Education Program is a free educational program that prepares every 4-year-old in Florida for kindergarten and builds the foundation for their educational success. M-DCPS VPK Programs offers each child an opportunity to perform better in school and throughout life by offering *high-quality* programs that include developmentally appropriate curricula with a focus on early literacy skills, developmental standards, accountability, substantial instruction periods, manageable class size, and qualified instructors.
