

# Transition to Kindergarten Initiative

Miami-Dade County Public Schools (M-DCPS) launched the Superintendent's Transition to Kindergarten Initiative during the 2014-2015 school year with a focus on strengthening the bonds between over 1,300 early learning centers/providers and neighboring Title I elementary and PK-8 centers. Transition to Kindergarten Ambassadors provide technical assistance and support to all stakeholders involved in the transition of children from privately-owned Pre-kindergarten programs to kindergarten classes at participating M-DCPS schools to help promote kindergarten readiness. The Transition to Kindergarten Ambassadors Program has been recognized by the White House Initiative on Educational Excellence for Hispanics.
