#### **Rain Outs, game suspensions, games resumed and official's payments**

- If the game is suspended prior to the game starting, i.e. first pitch (baseball and softball), kick off (football and soccer), the officials are paid the Travel Fee only.
- If the game is suspended after it has officially started the officials are paid a full Game Fee and Travel Fee. The head official is required to send an AT6, Unsportsmanlike Conduct/Miscellaneous Incident Report to the FHSAA to report the game suspension.
- Resumed game fees, sports with two half's:
  - Game is resumed any time in the first half, new or returning officials are paid a full game and travel fee
  - Game is resumed in second half, new or returning officials are paid a ½ of game fee and a full travel fee
- Resumed baseball or softball game fees:
  - Game is resumed prior to the start of the 4<sup>th</sup> inning, officials are paid a full game and travel fee
  - Game is resumed from 4<sup>th</sup> inning on, officials are paid a ½ game fee and full travel fee
- Please refer to the National Federation of High School Sports, sport specific rule book or the rule book for the state sanctioned sport, for the definition of "Ending A Regulation Game" or "Duration of Game" for each sport. Baseball, softball and soccer all have specific rules for ending a game after a defined length of play.
- Non-District suspended games do not have to be completed. If there was no winner determined at the

## Policy G10

point of suspension the contest does not count in the team's record.

- FHSAA District games that are suspended must be completed to be counted in the school's district record.
