

STATISTICAL HIGHLIGHTS 2022-2023

M-DCPS Student Membership

May 2023

Miami-Dade County Public Schools is a countywide school system, and it is the third largest system in the nation.

Management of schools is totally independent of metropolitan and city governments. The metropolitan government collects the school tax for the school system, but exercises no control over its use.

The nine-member School Board is elected by single member districts. Regular, open meetings are generally held in the Board auditorium each month on a Wednesday.

Responsibility for administration of schools is vested in the District Superintendent, appointed by the Board. Each of the district's schools is assigned to one of three Region Centers, which provide support for schools, advocacy for students and parents, and partnerships with businesses.
