CHIPMUNK User Guide

Android   Apple

This app allows you to see estimated arrival times for student transportation to and from school. Download the app from the Play Store or Apple store. You can also scan the QR code with your cell phone camera. After you install the app click **Next** to agree and scroll down the disclaimer. Click **I Agree** to continue.
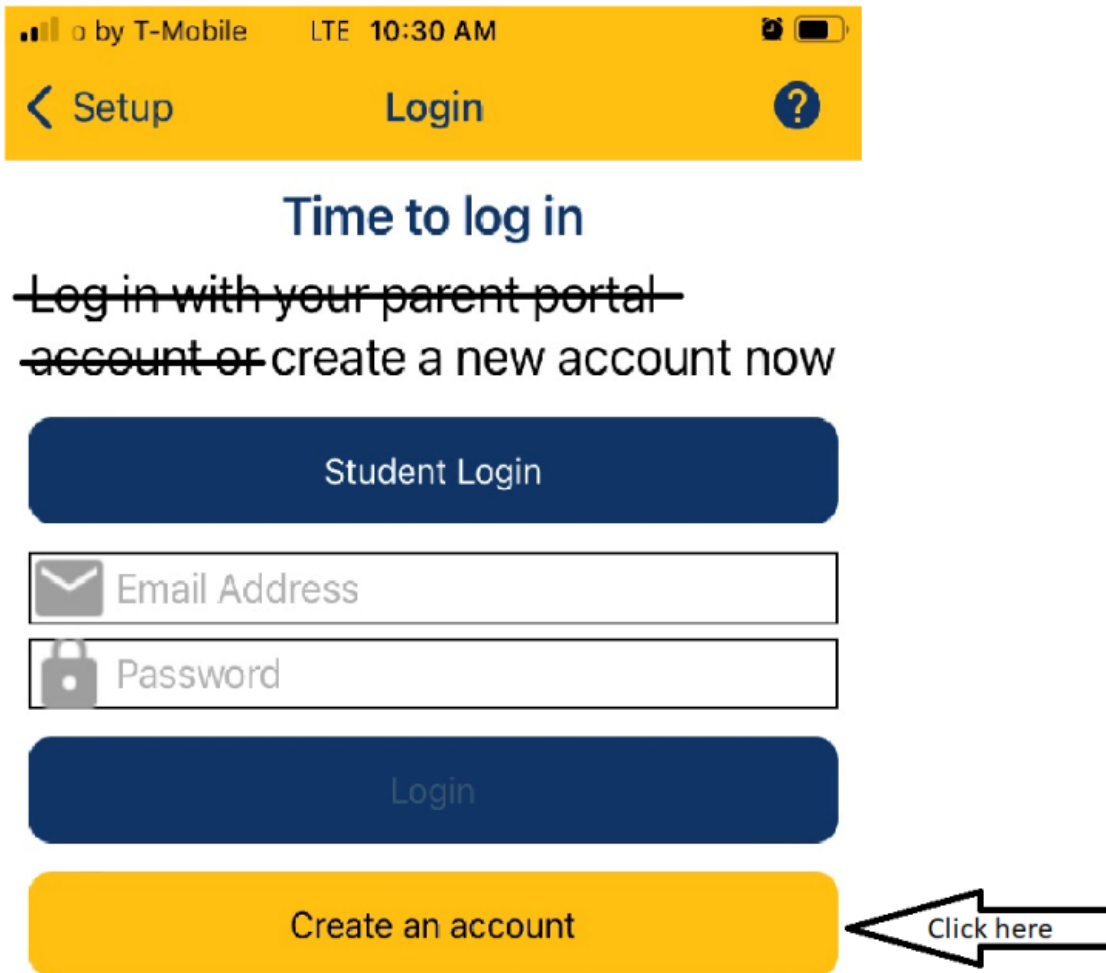

Setup

In the pulldown menu select the school district and click **Next**. Our school district is **Miami-Dade County Public Schools**.
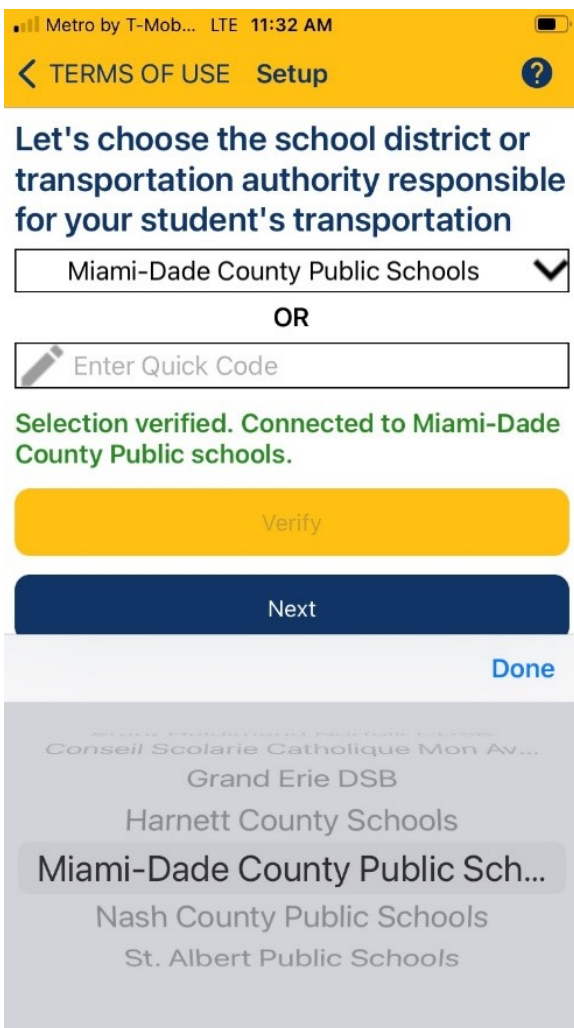

Parents Login

Parents are required to create an account. You must use the existing private email address that is registered in the school's district student information system (DSIS).

Student Login

Students are not required to create an account.

Click on Student Login.

Email Address: *student ID@students.dadeschools.net*

Password: Use your current school password.

My Students

Your students are automatically added based on the existing private email address that is registered in the school's student information system (DSIS).
