## INTRODUCTION

[Florida Statutes, Section 1003.21](#) states that children of compulsory school age must attend school regularly during the entire school term. Miami-Dade County Public Schools is an A-rated district offering diverse programs for students of all ages.

The procedures in this handbook convey the process schools will follow regarding student registration and ensures adherence to all registration procedures. The Federal and State Compliance Office (FASCO) will update, as needed, registration protocols and procedures communicated in this document throughout the year. For assistance with implementing the registration procedures, please visit the Federal and State Compliance Office website at [attendanceservices.dadeschools.net](http://attendanceservices.dadeschools.net) or call **(305) 883-5323**.

## SECTION I: DOCUMENTS, FORMS & PROCEDURES FOR INITIAL ENTRY

---

This section of the handbook provides all documents and forms required for student registration, as well as links to all registration forms. Forms can also be accessed via the district records and forms management system at <http://forms.dadeschools.net/>.

To facilitate the enrollment of new students to M-DCPS, the Federal and State Compliance Office has created the *New Student Registration Parent Guide* and *New Student Registration Packet*, including a checklist, and required forms. Both documents are in English, Spanish, and Haitian-Creole and accessible for download via the Federal and State Compliance Office, [Student Registration webpage](#). Schools are encouraged to download both documents and post on their school websites for parents to access.

The school shall abide by information provided by the parent who completes the Initial Registration documents or “registering parent.” Any subsequent change to the registering parent listed in the District’s student information system must be verified by both parents in accordance with District procedures. Only the registering parent will be permitted to withdraw the student from the school and enroll the student in another M-DCPS school. The school registrar should consult the principal about any extenuating circumstances presented on a case-by-case basis. Any parent contesting the information on the Initial Registration forms may seek assistance from the court to compel the registering parent to revise the information on the forms. School staff shall provide such persons with the website for the Family Court Self-Help Program at <http://www.jud11.flcourts.org/Family-Court-Self-Help-Program>. Parents may agree to change the registering parent and submit an Agreement to Change of Registering Parent Form (FM-7600) (Appendix 11) at any time.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor under F.S. 837.06. In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under F.S. 92.525.

### I. DOCUMENTATION NEEDED AT THE TIME OF REGISTRATION:

- Verification of age and legal name (include Verification of custody/guardianship)
- Verification of parent current residence
- Health and Immunization Requirements

#### A. AGE AND LEGAL NAME VERIFICATION

Every child initially entering a District school must prove age by an authentic document issued by a governmental agency.

Florida Statute 1003.21, [School Attendance](#), specifies the evidence required to establish proof of birth, and alternative options if the first prescribed evidence is not available, in the prescribed order, as listed below.

1. A duly attested transcript of the child's birth record filed according to law with a public officer charged with the duty of recording births (original birth certificate); a hospital certificate is not acceptable. Birth certificates issued as of January of 2013 to present cannot be photocopied. Complete the Verification of Birth Certificate form ([FM-6982](#)) with the student information provided on the original birth certificate if the birth certificate cannot be photocopied.
2. A duly attested transcript of the certificate of baptism showing the date of birth and place of baptism of the child, accompanied by an affidavit sworn to by the parent.
3. An insurance policy on the child's life which has been in force for at least two years.
4. A bonafide contemporary religious record of the child's birth accompanied by an affidavit sworn to by the parent.
5. A passport or certificate of arrival in the United States showing the age of the child. Since the passport or certificate of arrival cannot be copied, schools must complete the Verification of Student Information on Passport, Parolee Card or Certificate of Arrival ([FM-6670](#)).
6. A transcript of record of age shown in the child's school record of at least 4 years prior to application, stating date of birth.
7. If none of these evidences can be produced, parent must supply an *Affidavit of Age* ([FM-4681](#)), sworn by the parent and accompanied by a Certificate of Age signed by a public health officer or by a public school physician, or, if practicing physician designated by the School Board, certificate shall state the health officer or physician has examined the child and believes that the age as stated in the affidavit is substantially correct.

### **APPLYING FOR A BIRTH CERTIFICATE**

School site personnel may provide parents information on how to request original birth certificates. Hospital Certificates are not acceptable. If available, a copy of the birth certificate is to be placed in the student's Cumulative Record Folder, and the birth registration number is to be recorded in the appropriate place on the Cumulative Record Folder. Birth certificates are to be requested from the Bureau of Vital Statics appropriate to where the child was born. The parent must provide specific information at the time of the request, along with any associated fees for processing. The following link to the [USA.gov website](#) provides up-to-date information on how to request a copy of a birth certificate. A chart has been prepared by the State for convenience ([Appendix 5](#)).

### **LEGAL NAMES OF STUDENTS**

School Board Policy [5200-Attendance](#) states that requests from a parent to enroll a child in a public school under a name other than the legal name may be granted. Official school records must list both the legal name and assumed name of the student. The school shall abide by information provided by the registering parent. Students entering a District school for the first time must have an Emergency Student Data Form, [FM-2733](#) completed with both legal and assumed names shown.

Students should be addressed by their assumed name and pronoun that correspond to their gender identity. Upon request, the assumed name should be included in the District's Student Information System (DSIS). For assistance with an assumed name change, please reach out to the SAFE Network for case consultation at 305-995-1778.

Students who have a legal name change must submit an amended birth certificate or finalized court documents to the school in order to finalize the name change in DSIS. A student's legal name should not be changed on any of the student's records without a legal document noting the change. Upon registration, the staff person who is initially entering a student's name into the District Student Information System (DSIS) should enter the student's name as it appears on the legal document. Do not enter the name the registering parent wrote on the Emergency Student Data Form. It is imperative that a legal document is used to enter information in DSIS.

When a student's name, birth date, gender, ethnicity or place of birth is initially entered incorrectly, or when a legal document is provided with different information, submit an Ivanti Service Manager (ISM) request to the Federal and State Compliance Office and include the Change of Data Form ([FM-0735](#)) and any documents to support the change.

### **NAME AND PRONOUNS**

School staff should address students by their chosen name and pronouns that correspond to their gender identity, regardless of whether there has been a legal name change. Upon request, the chosen name should be included in DSIS, Student Information Screen (PF3), Assumed Name field, in addition to the student's legal name. District-generated student email addresses should also reflect the student's chosen name, if first names are identifiable in such addresses. These changes inform all staff, including substitute teachers, of the name to use when addressing the student, and help avoid inadvertent disclosures.

**Students who have a formal name change must submit finalized court documents or an amended birth certificate to finalize the legal name change in DSIS.**

### **SAFE NETWORK- ASSUMED NAME AND PRONOUNS**

The School Allies for Equity (SAFE) Network is a District suicide prevention program under the Division of Student Services whose mission is to ensure a safe and affirming environment for lesbian, gay, bisexual, transgender, queer and intersex (LGBTQI+) students. Under Federal laws and School Board Policies students have the right to be free of discrimination and harassment based on their gender, gender identity, expression or sexual orientation. Based on these laws and policies, students are entitled to accommodations to ensure they can learn in a safe and supportive environment.

## **B. EVIDENCE OF PARENTAGE/CUSTODY/ GUARDIANSHIP**

Parents or legal guardians are to provide proof of parentage/custody/guardianship upon registering a student or to access records or school activities. The Birth Certificate or a court order may be used to verify parentage.

If the student is residing with someone other than the registering parent, the following provisions shall apply:

1. If the parent lives within Miami-Dade, Broward, Palm Beach or Monroe counties, the parent must provide documentation of custody by an appropriate state agency such as the Florida Department of Children and Families or the court. To obtain guardianship of a student, the legal parent must submit to the school a power of attorney that has been properly executed by the legal system, the receipt of affidavit from the Family Court, and valid photo identification. Applications for temporary custody of minor children by extended family can be obtained at the [Lawson E. Thomas Court Center](#) at 175 NW First Ave., Suite 2441, Miami, Florida, 33128, (305) 349-7800. Via the [Family Self Help Program \(Click Here\)](#), families can receive specialized services involved in the family court process by accessing the proper forms and instructions to streamline their case, reduce confusion and eliminate delays.
2. If a parent resides within Miami-Dade, Broward, Palm Beach or Monroe counties and the student lives in a residence licensed by the Florida Department of Children and Families, the student may be registered and enrolled in the school that serves that licensed residence.
3. If the parent lives outside of Miami-Dade, Broward, Palm Beach or Monroe counties, the school may accept a court order evidencing guardianship.

## **C. VERIFICATION OF ADDRESS**

Verification of parent's residence shall be required at the time of registration. At the discretion of the Superintendent, verification of residence may be required at any other time during the school year. The student shall reside with the parent placing the student in the neighborhood school.

Verification of address requires **two (2)** of the following:

1. Broker's or attorney's statement of parent's purchase of residence, or properly executed lease agreement
2. Current Homestead Exemption Renewal Receipt
3. Electric deposit payment receipt or electric bill, bottom portion, showing name and service address.

If address verification is not provided, or submitted documents are not acceptable, the Superintendent or designee may verify the student's residence address and a Statement of Bonafide Residence ([FM-7444](#)) can be used.

If an electric deposit payment receipt is used as verification, the electric bill, bottom portion, must also be submitted to the school. If the parent is unable to provide the school with the requested electric deposit receipt, the student will be allowed to enroll in the new school, but must submit the electric bill, bottom portion, to the school within forty (40) calendar days.

When a change of family residence occurs after ninety (90) school days in which a student is enrolled in a school which would place the student in a different attendance area, the student, upon the request of the parent, may complete the year in the present school. No transportation will be provided.

When a change of family residence occurs after ninety (90) days in which a student is enrolled in grades 11 through 12 or is enrolled in the last grade offered at a school, which would place the student in a different attendance area, the student, upon the request of the parent, may remain in the present school through graduation (for grades 11 through 12), or the last grade offered at the school. No transportation will be provided.

Florida Statute 837.06, [False Official Statements](#), states that any parent who knowingly makes false statements in writing with the intent to mislead a public servant will be penalized by law.

#### **D. HEALTH AND IMMUNIZATION REQUIREMENTS**

##### **STUDENTS WILL NOT BE ADMITTED TO SCHOOL WITHOUT PRESENTING TANGIBLE DOCUMENTATION THAT IMMUNIZATION AND HEALTH REQUIREMENTS HAVE BEEN MET:**

1. State of Florida School Entry Health Exam [DH-3040](#), including proof of tuberculin tuberculosis clinical screening and appropriate follow-up, if necessary.
2. Florida Certification of Immunization [DH-680](#)

Parents should be encouraged to contact their medical provider for information regarding the required school entry vaccines. If parents are experiencing financial difficulties or if a parent do not have a private medical provider, they can contact the Florida Department of Health in Miami-Dade County Special Immunization Unit at (786) 845-0550 to schedule an appointment to receive **FREE** school entry vaccines. Parents can also contact "The Children's Trust" Helpline at 211 to obtain a list of medical facilities that will provide immunizations at a reduced price.

Exceptions may be made for a period of 30 days for students currently in transition ([Project Up-Start Program](#)), under the Juvenile Justice System and children of Military families.

**State of Florida School Entry Health Exam, [DH-3040](#)**

Parents of **ALL** students are required to present evidence of a health examination performed within twelve (12) months by a medical provider prior to initial entry into a Miami-Dade County Public School. The school health exam **MUST** include a **tuberculosis clinical screening**. If the screening indicates that a follow-up skin test is needed, the student may enroll **ONLY** with a medical provider’s statement that the student is free of communicable tuberculosis and can attend school.

Students transferring from within the state of Florida or within the county are **NOT** required to be re-examined. However, **ALL** students’ initially entering Miami-Dade County Public Schools health screening must include a tuberculosis clinical screening, and evidence of appropriate follow-up if necessary.

The school entry health exam should be completed on the State of Florida School Entry Health Exam form (DH-3040). When using this form, parents must complete page one (1). A health care provider may complete page two (2) or submit their own documentation of the medical information detailed on the form.

**Florida Certification of Immunization, [DH-680](#)**

Florida Statue [1003.22](#), states that the Florida Department of Health requires the school board of each district shall require each student prior to admittance, or attendance in a Florida public or private school in PK-12th grade, to present or to have on file a *Florida Certificate of Immunization* (DH-680).

**The following vaccinations are needed for students attending kindergarten through twelfth grade:**

Students enrolling in school for the first time or transferring into Miami-Dade County Public Schools from out-of-state **MUST** present **one** of the following:

**1. Florida Certificate of Immunization Form**

Complete *Florida Certificate of Immunization* form should be marked only when **ALL** kindergarten or seventh grade immunization requirements are met.

**2. Temporary Medical Exemption**

Temporary Medical Exemptions should only be marked when a medical provider indicates that the child has received as many immunizations as are medically indicated at this time. An additional *Florida Certificate of Immunization* form **MUST** be presented on or before the expiration date. If the additional certificate is not presented on or before the expiration date, the student must be excluded from school.

**3. Permanent Medical Exemption**

A Permanent Medical Exemption is provided when a child cannot receive one or more vaccines due to medical reasons. The medical provider **MUST** list the vaccine(s) that are contraindicated on the *Florida Certificate of Immunization* form.

**4. Religious Exemption**

A request for a religious exemption from immunization requirements is issued **ONLY** by the Florida Department of Health in Miami-Dade County for a child who is not immunized because of his/her family's religious tenets or practices.

The Religious Exemption From Immunization form ([DH-681](#)) **MUST** be kept on file at the school to facilitate identification of unimmunized/susceptible children needing exclusion during an outbreak of a vaccine-preventable disease.

Parents of students transferring within Miami-Dade County Public Schools do not need to be issued a copy of the immunization documentation. The receiving school can access the immunization information from the Districts Student Information System (DSIS) Student Information Screen (PF3) and then access the Health Information Screen (PF17).

**Florida SHOTS (State of Florida Immunization Registry)**

Florida SHOTS is a **FREE** statewide centralized, online immunization registry that helps parents, authorized health-care providers, schools, and day care centers keep track of

immunization records. The registry was designed to assist health care providers by providing the following benefits:

## II. FORMS NEEDED AT THE TIME OF STUDENT REGISTRATION:

- Emergency Student Data Form ([FM-2733](#))
- Home Language Survey Form ([FM-5196](#))
- Disclosure at Time of Registration ([FM-5740](#))
- Project UP-START Student Questionnaire ([FM-7378](#))

The following section provides a brief description of each form:

### A. EMERGENCY STUDENT DATA FORM, [FM-2733](#) ([Appendix 4](#))

Students initially entering Miami-Dade County Public Schools must have an Emergency Student Data Form completed by the registering parent as part of the registration. The information on this form must be updated **annually** for all students or when parents provide additional or new information regarding the student. The registering parent is responsible for completing the Emergency Student Data card and for notifying the school of additional or new information during the school year.

The name of any individual who is authorized or unauthorized by the registering parent to pick up a student from school must be contained on the Emergency Student Data Form for that student to be released to the individual by school staff (See Fla. Stat. 1000.21(5) and Policy 0100 for definitions of “parent”). Any person verified as a parent in the District’s Student Information System is presumed to be authorized to pick up the student unless otherwise indicated. The school shall abide by the information provided on the Emergency Student Data Form. The registering parent who completes the Emergency Student Data Form is responsible for providing information that is truthful and accurate – and in the case of unmarried, divorced, or separated parents, consistent with any court order in effect governing their divorce, separation, or custody matters. Any parent contesting the information provided in the Emergency Student Data Form by another parent may seek assistance from the court governing their parenting matters to compel the registering parent to revise the information. School staff shall provide such persons with the website for the Family Court Self-Help Program at <http://www.jud11.flcourts.org/Family-Court-Self-Help-Program> . Parents may also agree to change the registering parent and submit an Agreement to Change Registering Parent Form ([FM-7600](#)) ([Appendix 11](#)) at any time.

Only the registering parent will be permitted to withdraw the student from the school and enroll the student in another M-DCPS school. The school registrar should consult the principal about any extenuating circumstances presented on a case-by-case basis.

No student shall be permitted to leave school prior to dismissal at the request of or in the company of anyone other than a school employee, a police officer with judicial authority, a court official, or the parents of the student unless the permission of the parent is provided. Any person verified as a parent in the District’s Student Information System is presumed to be authorized to pick up the student unless otherwise indicated by the registering parent. Where parents are unmarried, divorced or separated, only

the enrolling parent may provide permission. Parents may have access to the student and/or his/her student records, unless the school has been provided with evidence that there is a legally binding instrument or court order governing such matters as divorce, separation, or custody, which provides to the contrary.

Specific procedures for releasing students during the school day are as follows:

1. The Authorization for Release of Student from School section of the emergency Student Data Form must contain the name of any person(s), other than parents, who are authorized to pick up the student during the school day. **The registering parent, as identified on the front side of the Emergency Student Data Form, must sign this authorization.**
2. In instances where parents are unmarried, divorced or separated, the action of the school will be governed by the information on the Authorization for Release of Student from School section of the Emergency Student Data Form. The registering parent is responsible for completing the card and for notifying the school of additional or new information during the school year. Any person verified as a parent in the District's Student Information System is presumed to be authorized to pick up the student unless otherwise indicated.
3. The school administrator or designee must be responsible at the school to release a student during the school day. This school official must review the Authorization for Release of Student from School section of the Emergency Student Data Form to ensure that the person requesting the student is authorized to remove the student. Any person verified as a parent in the District's Student Information System is presumed to be authorized to pick up the student unless otherwise indicated. **Under no conditions should students working in school offices release other students; students should only be released from the main office.**
4. Only individuals listed on the Authorization for Release of Student from School section of the Emergency Student Data Form can take students from school during the school day – provided their identity is verified as follows:
  - a. Individual's driver license, or other identification card (photo ID preferred)
  - b. Individual is identified by student being picked up if picture ID is not presented
  - c. Individual is identified by school personnel
  - d. Individuals who do not provide the identification information listed above and are authorized to pick up children from elementary schools should have a signed note from the parent on file and a phone call should be made to the parent for purposes of identification.

A person whose name is NOT listed on the Authorization for Release of Student from School section of the Emergency Student Data Form is NOT permitted to pick up the student early or at the end of the school day. The registering parent must be contacted to seek authorization. **No release shall be permitted regardless of the person's relationship to the student, until the registering parent approves.**

**For information regarding the release of students to the Florida Department of Children and Families or to law enforcement, staff should contact School Operations/Children’s Courthouse Education Liaison Office at 305-679-2800.**

### **REGISTERING PARENT**

Only parents or legal guardians shall be listed on the Parent Information (PF8) screen in DSIS. When entering the parent/guardian information, the registering parent shall be listed first on the PF8 screen and “**Registering**” shall be entered under the ‘Employment’ field. Only the registering parent may withdraw or transfer the student.

In cases where BOTH the registering and the non-registering parent agree to change the parent that is listed as the student’s registering parent, the Agreement to ***Change Registering Parent Form (FM-7600)*** (Appendix 11) must be completed and signed by both parents providing authorization for the school district to change the registering parent listed for the student as indicated on the form. Valid photo identification from both parents must be presented.

### **B. HOME LANGUAGE SURVEY FORM, [FM-5196](#)**

The Florida Department of Education, in accordance with the Multicultural Education, Training, and Advocacy Inc. (META) Consent Decree which addresses the civil rights of English Language Learners (ELL) students, mandates that every student initially entering Miami-Dade County Public Schools be asked a series of three questions, as part of the registration process. The Home Language Survey, FM-5196, is available in English, Spanish, and Haitian Creole.

### **ETHNICITY / RACE**

Six (6) data elements are used to report ethnicity and race for students in Florida public schools, including:

- Ethnicity: (Hispanic / Latino)
- Race: American Indian or Alaska Native
- Race: Asian
- Race: Black or African American
- Race: Native Hawaiian or Other Pacific Islander
- Race: White

One element is used to report ethnicity - whether the person is of Hispanic / Latino origin.

Five elements are used to report race. Each student may have up to five race elements. A student may have more than one race element with at least one race element identified.

### **C. DISCLOSURE AT TIME OF REGISTRATION, [FM-5740](#)**

Florida Statute 1006.07, [District School Board Duties Relating to Student Discipline and School Safety](#), requires that any student seeking admission to a public school in the State of Florida be required to provide information regarding expulsions, arrests and referral for mental health services regarding expulsions, arrests which may have resulted in a formal charge, or any involvement with the Juvenile Justice System, at the time of initial registration, Disclosure at Time of Registration FM-5740.

### **D. PROJECT UP-START STUDENT ELIGIBILITY QUESTIONNAIRE, [FM-7378](#)**

Miami-Dade County Public Schools' Project UP-START is the McKinney Vento Homeless Education Program, whose mission is to ensure a successful educational experience for students in transition by collaborating with parents, schools, and the community to remove barriers to education, and promote a healthy sense of self with hope for a bright tomorrow.

Under the Federal McKinney Vento Law, Every Student Succeeds Act, and School Board Policy [5111.01](#), identified homeless students are entitled to immediate school enrollment and are given up to 30 days to comply with any required documentation, including birth certificates and immunizations. Students are entitled to transportation to their school of origin, which is – defined as the school that the student attended prior to being displaced from their home. To register a student in Project UP-START, the Project UP-START Student Eligibility Questionnaire (FM-7378) must be completed and sent to Project UP-START at [Projectupstart@dadeschools.net](mailto:Projectupstart@dadeschools.net) or faxed to 305-579-0370. Registrars can contact the Project UP-START office for support at 305-995-7318.

If transportation is to be requested to attend the school of origin, Project UP-START Special Transportation Request Referral Form ([FM-7405](#)) is to be completed and sent to the Project UP-START Office. For additional services including uniform assistance, school supplies, and housing, Project UP-START Referral/Report of Homeless Student Form [FM-7404](#) is to be completed and sent to the Project UP-START Office.

Schools should have the Project UP-START Student Eligibility Questionnaire Form FM-7378 in the registration packets, and distribute to those students currently enrolling that might benefit from these services. Please note that both nationally and in the State of Florida, the category with the highest number of homeless students includes those sharing the housing of other persons due to the loss of permanent housing, economic hardship, or a similar reason, also known as “Doubled-up.”

For questions about [Project UP-START](#) and services for students in transition, please call the Project UP-START Program, at (305) 995-7318.

Parents may make the request for records at the school

the student attends, and the school has thirty (30) days to respond to the request. If the records are needed to ensure parental participation (for example, in an IEP meeting), the records should be provided as soon as practicable.

If a parent's name is not listed on registration documents, the parent must provide a court order evidencing parentage to be listed as a parent in the District's Student Information System, access records, or participate in school activities.

## **FOREIGN STUDENTS**

The Federal & State Compliance Office, Foreign Records/Student Visa Department, conducts interpretation of foreign school records for grade placement in KG-Adult, provides grade conversions of high school records for credit in the U.S. from foreign schools, and issues the Form 1-20, Certificate of Eligibility to non-immigrant individuals seeking an F-1 Student Visa or an M-1 Vocational Student Visa. In addition, this office initializes and monitors the processing of J-1 Student Exchange Visas.

For questions regarding grade placement or records of foreign students in the KG-12 program, create an Ivanti Service Manager (ISM) request. Please include student records, along with the completed Foreign Student Placement ISM Cover Sheet ([FM-6957](#)). Submit records for one student per ISM. School staff may refer to the Student Placement Chart ([Appendix 10](#)) for guidance on grade placement of students in the absence of educational records or if a student's records reflect an age discrepancy of two years or more. When a student placement cannot be determined, schools are advised to use the Temporary Grade Placement Form ([FM-6008](#)). **Important: a student's enrollment in school must NOT be delayed while records are being evaluated by the Federal & State Compliance Office.** For additional information click on the following link: [Foreign Records/Student Visa Department](#). In addition, for questions regarding foreign records, student placement, or student visas, contact FASCO's Foreign Records / Student Visa Department via email or phone, see Appendix 12 for FASCO contact information.

## **OUT-OF-STATE TRANSFER OF KINDERGARTEN STUDENTS**

Entry guidance into Kindergarten and first grade by out-of-state transfer students is provided in Florida Statute, F.S. 6A-1.0985, ([Appendix 7](#)).

A listing of legal minimum public-school entry ages by states and territory, as provided by the Florida Department of Education is available [HERE](#), ([Appendix 8](#)).

## **HOME EDUCATION STUDENTS**

Students enrolled in the Home Education Program from grades Kindergarten through 11th grade may enter a school at any time throughout the school year. Any 12th grade student interested in enrolling in a school may do so at any time of the school year up to the end of the first semester of their 12<sup>th</sup> grade year.

As per the Student Progression Plan: Home Education students in grade 12 may enroll in school up until the end of the first semester of their senior year, exclusively. **Twelfth**

**grade home education students will not be accepted during the second semester of the senior year.** Course credits, as presented in the home education portfolio at the time of enrollment at the receiving schools, shall be officially validated exclusively at the completion of the 12<sup>th</sup> grade (second semester), based on the current student course performance at the receiving school.

**Important:** A diploma is NOT issued by the public school system in Florida for the completion of a home education program.

For Home Education students who were previously enrolled at a District school, staff should retain all student records in the INACTIVE CUMULATIVE RECORDS at the student's last school of enrollment BEFORE entering the Home Education Program. **DO not send student records to the Home Education Office.**

### **Grades for Home Education Students**

Students entering a school from the Florida Home Education program should be scheduled for courses that would be the next course work to follow with the same rigorous course work presented according to their transcripts, grades or portfolio presented to the school. Once the student is scheduled for the next levels of course work, the school must wait until the completion of that school year and the final grade issued by the teachers to enter the Home Education grades as follows:

- If the student completes the school course work with a final passing grade, the school registrar must enter in TRACE the Home Education grade brought in by the student with the letter grade of a "P" for pass.
- If the student completes the school course work with a final failing grade, the school registrar must enter in TRACE the Home Education grade brought in by the student with the letter grade of an "F" for fail.

### **SPECIAL EDUCATION STUDENTS**

The District must take reasonable steps to promptly obtain special education student records, including the Individual Education Plan (IEP), Education Plan (EP), Section 504 Plans, supporting documents and any other records relating to the provision of special education or related services to the child, from the previous school District. The previous school District in which the child was enrolled must take reasonable steps to promptly respond to the request from the new school district.

### **MILITARY FAMILIES**

- Registering parent completes a Parent Choice Student Transfer Form, [FM-3281](#),

and obtains the signature of principal or designee administrator on the form at the home school.

- Region Center staff approves all military transfers to the requested school if the receiving school's FISH capacity below 100%.

### **STUDENTS WITHOUT EDUCATION RECORDS**

In the absence of educational records or if a student's records reflect an age discrepancy of two years or more, school staff may refer to the Student Placement Chart ([Appendix 10](#)) for guidance on grade placement of students.

### **D. MAINTENANCE AND TRANSFER OF STUDENT RECORDS**

The procedure for transferring and maintaining records of students who transfer from school to school is prescribed by Florida Statute 1003.25. The transfer of records shall occur within 3 school days.

The records shall include:

- Verified reports of serious or recurrent behavior patterns, including threat assessment evaluations and intervention services.
- Psychological evaluations, including therapeutic treatment plans and therapy or progress notes created or maintained by school district or charter school staff, as appropriate.

For information about the Opportunity Scholarship Program, including policies, and procedures, please contact the Office of School Choice and Parental Options at 305-995-1922.

## **C. DEPENDENT (DCF REVISED) STUDENTS – ENROLLMENT, TRANSFER & WITHDRAWAL PROCEDURES**

Students who are under the supervision of the Department of Children and Families (DCF) and under the jurisdiction of the Unified Children’s Court are considered dependent children and youth. The lead child welfare agency in Miami-Dade County is Citrus Family Care Network (CFCN). CFCN’s full case management provider agencies are responsible for the direct supervision of DCF supervised children and youth. These children and youth may be placed in licensed foster care, relative care (which may include a biological parent), a temporary shelter awaiting placement, or in a licensed group home. **Schools may not withdraw or transfer a student under the supervision of DCF without the written approval of the Children’s Courthouse Education Liaison Office (CCELO), School Operations.**

School-sites are electronically blocked from withdrawing or transferring a dependent student. Therefore, M-DCPS personnel are advised to contact the CCELO immediately at 305-679-2800 if an individual or agency does not present the appropriate documentation from the CCELO and is requesting to withdraw or transfer a dependent student.

Please note that a student may be removed from school at any time by DCF in the course of an investigation but may not be withdrawn or transferred from his/her school without prior approval from the CCELO.

The CFCN full case management agency which is responsible for the direct supervision of a dependent student is identified by a letter in the DCF field on the District Student Information System (DSIS) Student Information Screen (PF3) screen. The CFCN Full Case Management Agency DCF Flag Designations are:

### **DCF Flag Designations in DSIS**

D -- Center for Family and Child Enrichment (CFCE)  
E -- Children’s Home Society (CHS)  
F -- Family Resource Center (FRC)  
O --Extended Foster Care or Independent Living (youth aged 18+)  
Y-- CFCN Temporary Code (Utilized for new entries prior to full case management agency assignment, courtesy supervisions,  
N -- No longer under the supervision of the Department of Children and Families (DCF) and/or Citrus Family Care Network

### **DEPENDENT STUDENTS - OUT OF AREA TRANSFER (Appendix 9)**

In order for the student who has been placed in a home outside his/her current school boundary, to remain at his/her school of origin, CCELO staff will complete a **CONFIDENTIAL School Operations Children’s Courthouse Education Liaison Office (CCELO) Educational Review and School Enrollment Form (FM-7536)** and

in the DSIS Student Transfer Form enter TRANSFER CODE “J” in the District Student Information System (DSIS). All such transfers will be requested, completed, and approved by the CCELO.

Schools are to immediately direct DCF Child Protective Investigators (CPI), full case managers, foster parents, or anyone wishing to withdraw or transfer a dependent student to the District’s Children’s Courthouse Education Liaison Office [CCELO](#) by calling 305-679-2800.

### **DEPENDENT STUDENTS – SCHOOL TRANSFERS**

If a best interest transfer has been approved by the CCELO, an **Educational Review and School Enrollment Form (FM-7536)** for the transfer of a dependent student will be completed at the CCELO and provided to the DCF CPI or full case manager. Subsequently, CCELO staff will withdraw the student by entering a “W13” withdrawal code. The DCF CPI, full case manager, foster parent, and /or legal guardian is to present the completed **Educational Review and School Enrollment Form** and register the student at the receiving school within twenty-four (24) hours.

**The individual registering the student is not to be directed back to the sending school to withdraw the student. The receiving school’s registrar is to submit an Ivanti Service Manager (ISM) request with the attached CCELO approval form to the Federal and State Compliance Office (FASCO) in order to enroll the student.**

School-site personnel must ensure that the student’s emergency contact information is immediately updated when a change in home placement and/ or legal guardianship has occurred. Individual names must be listed on the data card or sheet.

Any books or other school materials the student has with him/her should be sent back to the sending school via school mail. Schools may not deny the transfer of a student under the supervision of DCF for lost books, materials, or a financial debt. The students’ parents remain responsible for financial obligations.

### **DEPENDENT STUDENT – NEW ENROLLMENT**

For new students entering M-DCPS, the registrar of the receiving school will receive a completed Educational Review Form and School Enrollment. If the caregiver or case manager do not present a completed Educational Review and School Enrollment Form at the time of a new dependent student’s enrollment, the registrar should immediately contact the CCELO.

The registration of a student under the supervision of DCF **MUST** be expedited and the lack of documentation may not delay the student’s enrollment in school.

#### **D. NON – M-DCPS STUDENTS – (Location 8013)**

The following procedure is followed to assign identification numbers for non-M-DCPS students that are tested through the psycho-educational evaluation process. When a request for evaluation is completed for non-MDCPS students, a designee at the school site must submit an Ivanti Service Manager (ISM) request to the Federal and State Compliance Office to facilitate the assignment of a student to location 8013 and to process the request for a student identification number, or to have an inactive student reactivated into location 8013 for testing. The student will remain assigned to location 8013 until the student officially registers at a M-DCPS site.

The following student information is required with the ISM request, to process the assignment to location 8013:

- Copy of the birth certificate
- Current address
- Telephone number (if possible)
- Current grade level

#### **E. TEENAGE PARENT PROGRAM (TAP) – ENROLLMENT PROCEDURES FOR SCHOOL REGISTRARS**

1. When a teen parent returns from an approved contracted daycare provider with a completed application, the registrar should enter the infant into DSIS within 24 hours and issue that infant a M-DCPS student identification number, if one hasn't already been assigned. The infant should be entered into school location 8016 and the section should be 999. If unable to enter an infant, please contact the TAP office. Infants cannot be entered into the DSIS system without the parent first being TAP qualified and or Single Parent Coded. Both of which must be done by TAP staff.
  - Infants whose parent previously attended one of the COPE centers or those re-entering the TAP program should already have M-DCPS student I.D. number. (Please check before issuing a new student I.D. number.) Some infants who have I.D. numbers assigned from the COPE centers may have had a change of last name. If so, please complete an Ivanti Service Manager (ISM) request to the Federal and State Compliance Office and attach the birth certificate.
  - When entering the student and infant into the dropout prevention screen using the eligibility forms, please complete the three TAP survey questions at the bottom of the TAP screen.
    - o Enter the number of children using numbers 1-9
    - o Enter whether the infant weighed 5 pounds, using either Y for Yes or N for No.
    - o Enter the ancillary services the student is eligible to receive H=Health care,

C=Childcare, S=Social service and T=Transportation. All four must be listed.

- The student's and infant's TAP eligibility codes must be entered into DSIS on the student's Dropout Prevention Information Screen (PF4 then PF19).
2. Once the infant has been registered, the registrar needs to put the following documents in a labeled folder, inside the mother's official cumulative record (CUM). If the student transfers to another school, copies of all TAP information must be forwarded to the new school via the cumulative folder.

Documents:

- o Eligibility forms for parent and infant
- o Parental Decision Letter
- o TAP application
- o Infant's Birth Certificate
- o Home Language Survey form (signed by infant's parent) [FM-5196](#)
- o Infant's current DH-680 and DH-3040 H.R.S. Forms must be originals
- o Temporary Exempt Certificates must have Expiration Dates

After the student has been entered, check the teen-parent's transportation zone code. If this field has an N for No, please change this field to show a Y for Yes. This is to ensure the teen-parent and infant receive transportation.

3. The registrar must update the infant's immunization when the teen-parent brings in official documentation that the infant's immunization has been updated. This is very important because if the immunization is expired, the infant will not be allowed to attend the daycare center.
4. Each time the teen-parent completes a new TAP application, a copy of that application needs to be placed in the infant's folder which should be kept in the teen parent's cumulative record (CUM). **When a daycare change is needed, the student must meet with staff at an approved contracted daycare provider and complete a new TAP Application for a transfer to be issued.** Please contact [District TAP Office](#) to approve changes in daycare center.

A medical provider may use their own document when completing the school entry health examination. The document must be signed and dated by the medical provider.

Parents should consult with their private medical provider for the above requirements before registering your child for school. If you do not have a private medical provider, parents can contact “The Children’s Trust” Helpline at 211 to obtain a list of medical facilities that will provide healthcare services including immunizations for **FREE** or at a reduced price.
