SUBJECT: THAT THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, CONDUCT A REVIEW OF THE SUPERINTENDENT OF SCHOOLS AND THE SCHOOL BOARD ATTORNEY AND DISCUSS THEIR PERFORMANCE OF DUTIES AT THE JUNE 20, 2001 BOARD MEETING

As elected officials, School Board members are "reviewed" by their constituencies every ^{REVISÉD} four years. In addition, the Board requires teachers, clerical staff, security personnel and custodians to undergo a yearly evaluation. A high standard of accountability from the employees of the district is crucial in maintaining an educational system that adequately prepares students for the future.

The Superintendent of Schools and the School Board Attorney are the only two employees of the school system who are accountable to the School Board. Furthermore, it is the Board's responsibility to ensure that the Superintendent and the Board Attorney diligently carry out their respective duties, thus ensuring that the vision and mission of the School Board are carried out.

As a measure of accountability, this item recommends that the School Board exercise its right, as specified in the employment contracts of the Superintendent of Schools and the School Board Attorney, to review the performance of duties of the Superintendent and Board Attorney and discuss their performance at the June 20, 2001 Board meeting.
