SUBJECT: LEGAL UPDATES

COMMITTEE: ACADEMICS, EVALUATION, AND TECHNOLOGY

**LINK TO STRATEGIC
BLUEPRINT: INFORMED, ENGAGED, AND EMPOWERED
STAKEHOLDERS**

Throughout the United States, school districts and other governmental agencies may be engaged in legal challenges. The outcomes can have powerful impacts on future education policy.

This item seeks to have our School Board Attorney's Office provide regular updates on any such cases to the Board during committee meetings. These updates can take place on a quarterly basis or on an "as needed" basis. There is no additional burden on the attorney's office as they may be already monitoring these cases.

These cases are separate from any ongoing litigation in which the School district is a party.

This item has been reviewed and approved by the School Board Attorney's office as to form and legal sufficiency.

**ACTION PROPOSED BY
DR. MARTA PÉREZ:**

That The School Board of Miami-Dade County, Florida, direct the School Board Attorney to provide regular updates to the Board on any ongoing cases, at the state and/or national level, that may have a future impact on education policy.
