SUBJECT: SCHEDULE A CONFERENCE SESSION, WITHIN THE NEXT TWO WEEKS, AT WHICH THE SUPERINTENDENT SHALL (1) PROVIDE THE BOARD WITH A REPORT ITEMIZING FIRE SAFETY VIOLATIONS IN EACH MIAMI-DADE COUNTY PUBLIC SCHOOL (M-DCPS), AND (2) PRESENT AN ACTION PLAN DETAILING HOW EACH VIOLATION WILL BE REMEDIATED, OR CONTESTED. DIRECT THE SUPERINTENDENT TO INCLUDE, IN THE M-DCPS FEDERAL AND LEGISLATIVE PROGRAMS, FUNDING FOR EMERGENCY SAFETY-TO-LIFE CAPITAL IMPROVEMENTS

Recent reports finding that M-DCPS are in violation of fire safety codes causes and should provide for great concern. This board is accountable to the public in this matter and must act proactively and swiftly to correct violations that exist in our schools.

This item requires that a Conference Session be scheduled within the next two weeks to take action regarding the safety-to-life concerns raised by recent fire inspections. The Superintendent shall provide the Board with a report listing code violations in each school, the cost for each repair, the level of urgency for each violation, and which department is responsible for each repair.

The Superintendent shall also provide the Board with an action plan and timetable for the repair of the most urgent violations that present an immediate safety-to-life danger. This plan should also include a long range timetable for less pressing repairs, and possible funding sources for these repairs.

The importance of this issue and the lack of economic resources in the district make it necessary to seek funding from Federal and State sources. Therefore, approval of this item also directs the Superintendent to include funding for such safety-to-life emergency repairs as part of the Federal and State Legislative Programs of M-DCPS.
